

## ::Your Role on the Crew ::

11.08.09

Have you ever found yourself so busy complaining about what you *didn't* have that you didn't recognize what you *did* have? Describe an example of this from your own experience.

God is a God of promises. He created you with a purpose and he has made a commitment to be present with you on your spiritual journey. God is a God of provision, supplying all you need to accomplish what He has called you to do. Consider the following verses:

"...Be strong and courageous. Do not be terrified; do not be discouraged, for the LORD your God will be with you wherever you go."

Joshua 1.9

"And surely I [Jesus] am with you always, to the very end of the age."

Matthew 20.28

"Being confident of this, that he who began a good work in you will carry it on to completion until the day of Christ Jesus."

Philippians 1.6

"Now to him who is able to do immeasurably more than all we ask or imagine, according to his power that is at work within us, to him be glory in the church and in Christ Jesus throughout all generations, for ever and ever! Amen."

Ephesians 3.20-21

Do you believe that God is at work within you and desires to work through you to make a difference for His Kingdom? Why or why not?

Prayerfully reflect on how engaged you currently are in God's mission. Consider the spiritual gifts and God-given passions with which you have been blessed. Are you developing and deploying your gifts and making a difference? If so, describe how you are doing this.

Is there anything holding you back from living out your purpose for the Kingdom? If so, what?

List some specific ways you can become more engaged in what God desires to do through your life?
